

DRAMA

Drama is the land of the imagined, the land of fun and creativity. Drama allows you to take a break from reality and immerse yourself in the magic that is drama. It is a medium for expression and fulfilment.

Drama can help you in many facets of your life; public speaking, confidence, self esteem, group skills, teamwork, communication skills, self expression, social skills, acceptance, abstract thinking, creativity, imagination and lots more.

All of us use drama in some form throughout our lives; however those that study it have the opportunity to enhance these skills.

At Karratha Senior High School, students have the option of choosing Drama in Lower and Upper School.

Yr 8 Drama is an introduction course covering many of its forms in order to receive a general scope of some of the forms of drama. The course includes; Mime, Staging, Props and Movement.

Yr 9 Drama covers, Playbuilding, Improvisation, Scriptwriting and Performance.

Yr 10 Drama; Greek Theatre, Shakespeare, Scriptwriting, Staging and Performance.

Yr 11 Drama is a year long course that covers many areas of drama. It focuses on the importance of verbal and non verbal communication, playbuilding, characterisation, improvisation etc. Students understand the social and historical contexts of drama and also experience the various production roles involved in bringing a play to life.

Studying Drama can lead to many career opportunities, both on and off the stage. Actor, Scriptwriter, Stage Manager, Director, Lighting Designer, Wardrobe Designer, Teaching, Casting Director, Producer, Set Designer, Public Relations, Presenters and many many more. These can also extend to Film and Television as well as Theatre.
