

## IMPORTANT PARKING INFORMATION AT SCHOOL

We have received a number of complaints regarding the use of car parks at school. Drivers who use the car parks and bus bays for the setting down and picking up of students are putting many students at risk. There have been two accidents at school where students have been hit by cars driven by parents or siblings.

**The only vehicles permitted to drive right up to the school are those belonging to staff or tradespeople.**

Students are to be dropped off and picked up on Searipple Road, the car park in front of the Karratha Education Support Centre or in Turner Way at the rear of the school.

Police Officers have noticed that the school is having problems with cars and will be in attendance to speak to unauthorised drivers who enter the school grounds.

**DENTIST PARKING:** Is at the Front of Karratha Education Support Centre in the CAR PARK (not in front of the fence).
