Dear Parents

### YIDARRA APPLICATION FOR ENROLMENT

When making an application for a place at Yidarra, please note the following:

- Because of the large number of applications, our enrolment policy, as enclosed, is closely adhered to.
- Your address indicates to us whether or not you are inside the parish boundaries. This could have a bearing on whether or not you receive an offer of a place for your child. (A map of the boundaries appears on the back of this letter). If you change your address or contact details while waiting for enrolment, please inform us.
- For entry at the Kindergarten level, it is important that we receive your child's application for enrolment, at least 12 months before they are due to commence Kindergarten as waiting lists are compiled and interviews are conducted in the previous year. To be eligible for enrolment, children must turn **4 years of age before 30 June** in the year they are due to start Kindergarten. Term 1 commences in Jan/Feb each year.
- A fee of **\$50 per child**, which includes GST, is requested to be paid with each application for enrolment lodged at Yidarra This fee covers administration costs and will not be refunded should your child not gain entry into the school.
- If we are unable to offer a place for your child immediately, the enrolment form will remain on a waiting list, which is rolled over from year to year, unless you officially request that we withdraw the application.
